

THE INVESTMENT OPPORTUNITY IN OLEFIN CENTER

A. Ethylene

- Potential market : domestic and export
Projection in 2010 domestic demand 890.000 ton,
Domestic production is only 485.000 ton
- **Need Ethylene Industry with production capacity 400.000.000 ton/ year**

B. Propylene

- Potential market : domestic and export
Projection in 2009 domestic demand 1.213.000 ton
Domestic production is only 485.000 ton
- **Need Propylene Industry with production capacity 1.010.000 ton/year**

C. Polyethylene

- Potential market : domestic and export
Projection in 2010 domestic demand 612.000 ton/year
Domestic production is only 209.000 ton/year
- **Need Polyethylene Industry with production capacity \pm 400.000 ton/year**

D. Potential Location

Banten Province, East Kalimantan Province, South Sulawesi Province, and East Java Province
